Our factory has a history of ten years and it is located on northern of Zhongshan city, near of high-speed rail of Xiaolan station, very convenient both by car or by rail from Shenzhen or Guangzhou. It covers nearly over 2000 square kilometers. It has over 200 workers who mainly produce electric home kitchen appliance. The products are very good quality, because we have professional technical team and quality management system, every year we have new products introduced, traditions are broken, fashion products are updated.

The unique style will be more and more popular at southeast Asia, European and American market. We pay attention on beautiful appearance, simple and elegant, showing something of your own. Meeting is just the beginning, we want to work hard to fight for to be with your accompanying of life .
